TEACHER REVIEWS

"This is the perfect resource for the beginning of the year. My students were engaged with the variety of different activities. It gave them the opportunity to practice independence. I like the graphics and the easy prep." -Shelly P.

"This was such a wonderful addition to our first few weeks of K! My class loved using all different kinds of manipulatives and had a blast with these simple, low prep activities. It made it much easier for me to have them play these while I did assessments." -Samantha T.

"Great resource. Easy to prep and my students were truly engaged. Love how this resource uses manipulatives that most teachers have in their classroom." -Kathleen G.
