Color by Code

purple	yellow	orange	brown	blue	pink
-ab	-am	-at	-ag	-an	-ad

These activities are perfect for literacy centers, early finishers or sub tubs.

Students need crayons, markers, or colored pencils for this activity.

First, students will read a word. Afterwards, they will color the space to match the color code. Once the page is complete, it will reveal a fun picture to students. Each page reveals a different picture!
