

ROLL, COUNT & COVER FOR KINDERGARTEN

Includes 44 print and go game mats with holiday & seasonal themes

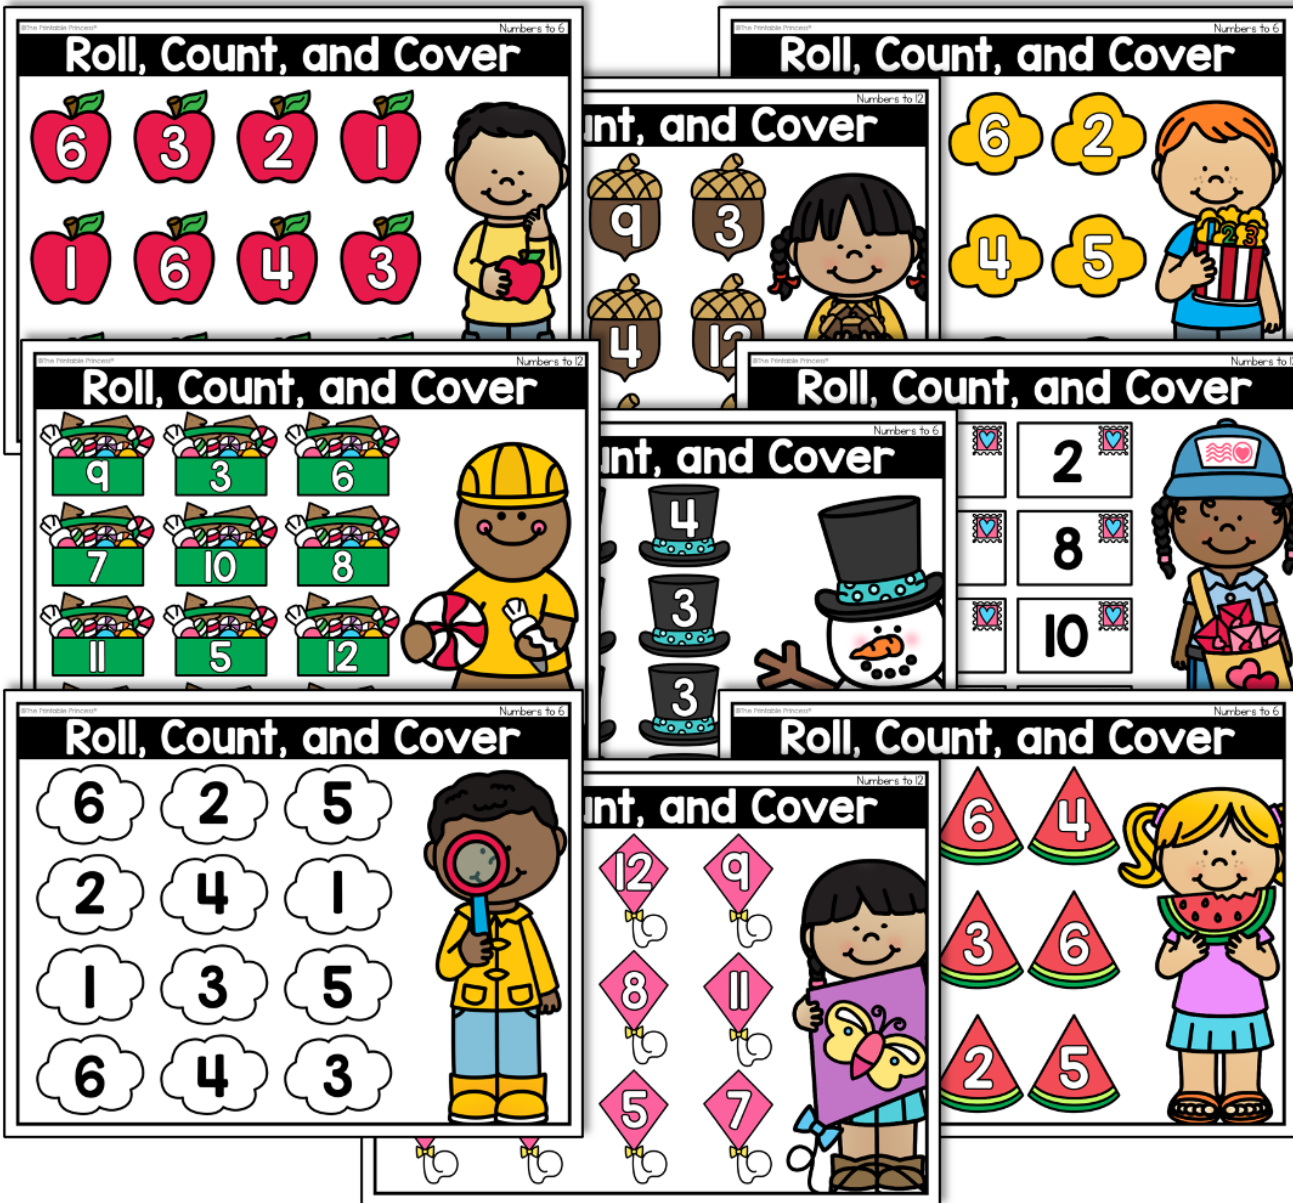

Practice numbers to 6, numbers to 12, one less and one more

Just add dice and plastic math cubes or mini-erasers

Great to use for morning tubs, math centers or early finishers

What's included?

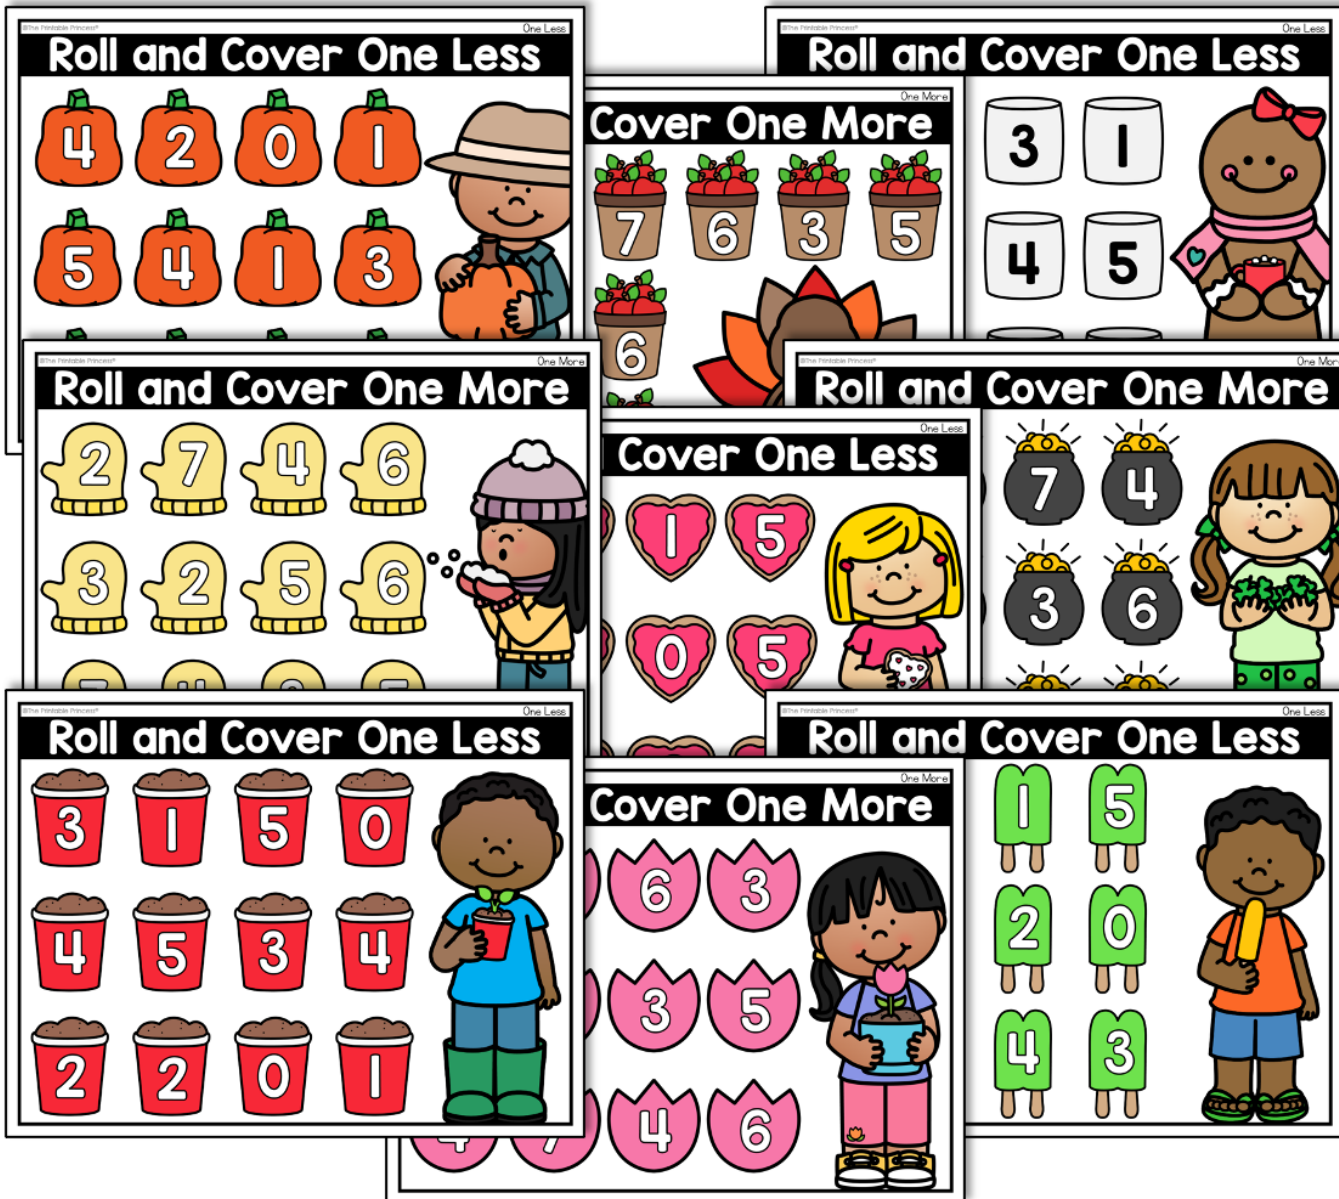

NUMBERS TO 6 & 12

- To prepare the game:
- ✓ Print the game mats
 - ✓ Laminate the game mats or slide them into page protectors
 - ✓ Each student will need a math game board and dice
 - ✓ Add plastic math cubes or mini erasers for covering the spaces

What's included?

I LESS AND I MORE

- To play the game:
- ✓ Roll the dice and count how many dots are shown
 - ✓ Find the corresponding number on the mat and cover it
 - ✓ Roll, count and play until all the spaces on the game mat have been covered

TEACHER REVIEWS

“My students love having lots of choices for math centers and they LOVED these games. They can play them in groups or partners and they have a lot of fun! These are very easy prep, and keep my class engaged.”
-E H.

“These are great! I’m able to just print and use. AND it has lots of different themes, so I can use different ones all year long.”
-Jennifer L.

“My students love games with dice, so these are perfect. I love that I can just change out the game mat every month and the students already know how to play the game. Great for centers!”
-Susan D.
