# About this resource...

Spin and Cover was designed to help students recognize and read CVC words. There are 43 mats included. There are 23 single word families mats and 20 mixed word family (same vowel) activity mats.

These boards are great for small group warm up, independent literacy centers, or early finishers.

To prep the mats print, laminate, and cut apart. Students will need a game mat, a plastic spinner (or paperclip and pencil), and small manipulatives to cover their game mat.

Students can play independently or with a partner.

**Option 1:** Students will spin the spinner, identify the picture name and cover a space on their game board. It is recommended that you review the picture names with your students before playing.

**Option 2:** Students can play with a partner or small group. Each player will need their own game mat and manipulatives. You can have students share a spinner or provide one to each player. Students will take turns spinning the spinner, identifying the picture name and covering the word on their paper. If a student lands on a picture and all of the words have been covered, they skip a turn. The first player to cover all of the spaces on their game board wins.
